Getting There:

Probably the easiest way to get to Eildon is head out to Healesville on the Maroondah Highway, stay on the Highway until you get to Taggerty, turn right onto the Taggerty - Thornton Road, once you get to Thornton turn right onto the Goulburn Valley Highway and follow that until you reach Eildon.

Once in Eildon veer left at the first roundabout in Eildon (just after you cross the pondage wall) then turn left onto Riverside Drive, this road runs parallel to the pondage, we will have registration at the end of this road.
